PROPERTY DESCRIPTION

Your friends will be impressed by the fresh decorating of this ranch-style home. Fresh paint and gleaming hardwood floors with touches of wood detail to add charm, especially in the warm, country kitchen; you know you are home right away! The kitchen offers easy workspace: good lighting, counters and cabinets, great flow for entertaining: direct access to the deck, and newer appliances: microwave, dishwasher are included, with others negotiable. Extras include mostly finished lower level; media room is carpeted and heated on a separate zone, with recessed lights and wiring for surround sound. Imagine your family and friends gathering to watch the big game or your favorite movies! You will save time and money on the low-maintenance needs of this great home! Newer roof, vinyl siding, newer windows and a freshly-stained deck will lighten your chore list. In addition, the generous back yard offers and oversized shed for all your tools and outdoor toys.
