## PROPERTY DESCRIPTION

This home sold in just 7 days for 97.8% of the listed price, closing on December 8, 2009. Wonderful, warm tudor with expansive living room. Imagine a formal dining room that opens through double french doors to the deck and private back yard. Envision a sunny den which would be a great entertainment room or a cheerful office. Check out the pictures of the new kitchen (new from the hardwood floor to the stainless steel appliances to the granite countertops to the cabinets!). The cozy eating nook was preserved.

If you like architectural detail, you will find it in abundance here: fireplace mantel, entry foyer, formal staircase, crown moldings, french doors...

On the second floor, there are four bedrooms, family bath and a stairway to the attic storage (entry through the generous master bedroom).
